

BUILDING PLANNED

The monthly meeting of the Carson Chamber of Torrance was held Monday night, November 9. The main topic of discussion was contemplating the building of a community building in the area.

It was pointed out that there has been a very pressing need for such a building. A committee will be headed by John Calas, Eric Erickson, and Herb Blank.

Representatives from the local VFW post, Mr. Nesbitt, William Gail, will be part of the committee.

The traffic safety committee, headed by Ben Benda and Dave Egan, requested the traffic department to adjust signal lights at the corner of Carson and Avalon. A request was also made for a signal light to replace a four-way stop at the corner of 223rd street and Avalon which has been the site of many serious accidents.

The chamber extends a cordial invitation to all civic organizations in this area to send representatives to the monthly meeting, held the second Monday of each month at the Lone Pine Inn, to seek means for settling community problems.

Any interested individuals are also welcomed to attend. Contact the chamber at TE 4-6954 for further information.

City Census, Yes; School Survey, No

"No sort of school survey is being made at present," Dr. J. H. Hull stated this week. The announcement was made in order to warn local citizens against individuals trying to obtain desired information for their own use by pretending to be in the service of the schools. Several residents have called the board of education saying they had been approached in this way.

Residents should remember, however, that the present city census is perfectly legitimate, but as a precaution, residents should ask the census-takers (enumerators) to show their official identification papers.

New Foreign Mail Rates

Effective November 1, 1953 the surface rates of foreign mail (except to Canada and Mexico) have been increased.

Letter and letter parcel will be 8 cents for the first ounce and 4 cents for each additional ounce. Canada and Mexico will be 3 cents per ounce.

Unsealed Christmas cards to all countries will be 2 cents.

Parcel post for armed service personnel in Korea, Japan and the Pacific Islands should be mailed before November 15 to be delivered by Christmas.

Interest Shown In Adult Club

Last Friday afternoon twenty-four "Up and At Em" adults met at the Torrance Adult Center, 1318 Cravens avenue, to work on plans for the organization of a Torrance Adult Club. A committee of five was appointed to formulate a constitution for the club. Claude Martin was appointed chairman pro tem, other members on the committee include: Harlan Haynes, Chris Jones, Mrs. Iris Steffen and Guy Hight. Recreation Director Harry Van Bellehem is an ex-officio member of the committee acting in an advisory capacity.

A great deal of enthusiasm and interest was evidenced by all adults attending the meeting and the work of the committee is progressing rapidly.

The adults are already making plans for such activities as square dance clubs, garden clubs, book clubs and softball. There is an ever increasing interest in the activities of the Adult Center. Just the other day a number of teachers from the Torrance School District competed against some of the old timers in a shuffleboard match.

40th Division Asks Aid For Korean School

California's 40th Infantry Division of the National Guard, called to active duty in 1950 and subsequently serving in combat in Korea, organized and built the Kenneth Kaiser Memorial School at Kapyong, Korea through contributions of 18,000 members. The school, houses some 500 Korean children. The 40 National Guard Division is currently engaged in a drive to gather contributions of school supplies, books and recreational equipment. People who wish to contribute may drop their donations at the 578th Engineer Battalion Armory, Manhattan Beach, or may call Captain Smith, at FRontier 2-8611, who will arrange for a pick up of the equipment.
